Report on the audit of the financial statements

Opinion

We have audited the financial statements of Optimistic Organic Sdn. Bhd., which comprise statement of financial position as at 31 March 2017, and statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information, as set out on pages 10 to 55.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 March 2017 and of its financial performance and cash flows for the year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

Basis for opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the financial statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence and other ethical responsibilities

We are independent of the Company in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Information other than the financial statements and auditors' report thereon

The directors of the Company are responsible for the other information. The other information comprises the Directors' Report, but does not include the financial statements of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Company does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Company, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the financial statements

The directors of the Company are responsible for the preparation of financial statements so as to give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia. The directors are also responsible for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Company, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Auditors' responsibilities for the audit of the financial statements (cont'd.)

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Company, including the disclosures, and whether the financial statements of the Company represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other matters

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act 2016 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

Optimistic Organic Sdn. Bhd.
(Incorporated in Malaysia)

2. Summary of significant accounting policies (cont'd.)

2.2 Changes in accounting policies

The accounting policies adopted are consistent with those of the previous financial year except as follows:

On 1 January 2016, the Company adopted the following new and amended MFRS mandatory for annual financial periods beginning on or after 1 January 2016.

Description	Effective for annual periods beginning on or after
Annual Improvements to MFRSs 2012 - 2014 Cycle	1 January 2016
Amendments to MFRS 116 and MFRS 138: <i>Clarification of Acceptable Methods of Depreciation and Amortisation</i>	1 January 2016
Amendments to MFRS 116 and MFRS 141: <i>Agriculture: Bearer Plants</i>	1 January 2016
Amendments to MFRS 11: <i>Accounting for Acquisitions of Interests in Joint Operations</i>	1 January 2016
Amendments to MFRS 127: <i>Equity Method in Separate Financial Statements</i>	1 January 2016
Amendments to MFRS 101: <i>Disclosure Initiatives</i>	1 January 2016
Amendments to MFRS 10, MFRS 12 and MFRS 128: <i>Investment Entities: Applying the Consolidation Exception</i>	1 January 2016
MFRS 14: <i>Regulatory Deferral Accounts</i>	1 January 2016

The nature and impact of the new and amended MFRSs, which are applicable to the Company, are described below:

Amendments to MFRS 116 and MFRS 138: Clarification of Acceptable Methods of Depreciation and Amortisation

The amendments clarify that revenue reflects a pattern of economic benefits that are generated from operating a business (of which the asset forms part of the business) rather than the economic benefits that are consumed through the use of an asset. As a result, a revenue-based method cannot be used to depreciate property, plant and equipment and may only be used in very limited circumstances to amortise intangible assets.

The amendments do not have any impact to the Company as the Company has not used a revenue-based method to depreciate its non-current assets.

Optimistic Organic Sdn. Bhd.
(Incorporated in Malaysia)

2. Summary of significant accounting policies (cont'd.)

2.2 Changes in accounting policies (cont'd.)

Amendments to MFRS 101: Disclosure Initiatives

The amendments to MFRS 101 include narrow-focus improvements in the following five areas:

- Materiality
- Disaggregation and subtotals
- Notes structure
- Disclosure of accounting policies
- Presentation of items of other comprehensive income arising from equity accounted investments

The amendments do not have any impact on the Company's financial statements.

Annual Improvements to MFRSs 2012 – 2014 Cycle

The Annual Improvements to MFRSs 2012 - 2014 Cycle include a number of amendments to various MFRSs, which are summarised below. These amendments do not have a significant impact on the Company's financial statements.

Standards	Descriptions
MFRS 7 Financial Instruments: Disclosures	<p>The amendment clarifies that a servicing contract that includes a fee can constitute continuing involvement in a financial asset. An entity must assess the nature of the fee and arrangement against the guidance for continuing involvement in MFRS 7 in order to assess whether the disclosures are required.</p> <p>In addition, the amendment also clarifies that the disclosures in respect of offsetting of financial assets and financial liabilities are not required in the condensed interim financial report. This amendment is applied retrospectively.</p>

2. Summary of significant accounting policies (cont'd.)

2.2 Changes in accounting policies (cont'd.)

Annual Improvements to MFRSs 2012 – 2014 Cycle (cont'd.)

Standards	Descriptions
MFRS 119 Employee Benefits	The amendment to MFRS 119 clarifies that market depth of high quality corporate bonds is assessed based on the currency in which the obligation is denominated, rather than the country where the obligation is located. When there is no deep market for high quality corporate bonds in that currency, government bond rates must be used. This amendment is applied prospectively.
MFRS 134 Interim Financial Reporting	The amendment states that the required interim disclosures must either be in the interim financial statements or incorporated by cross-reference between the interim financial statements and wherever they are included within the greater interim financial report (e.g., in the management commentary or risk report). The other information within the interim financial report must be available to users on the same terms as the interim financial statements and at the same time. This amendment is applied retrospectively.

2.3 Standards and amendments issued but not yet effective

The standards and interpretations that are issued but not yet effective up to the date of issuance of the Company's financial statements are disclosed below. The Company intends to adopt these standards, if applicable, when they become effective.

Optimistic Organic Sdn. Bhd.
(Incorporated in Malaysia)

2. Summary of significant accounting policies (cont'd.)

2.3 Standards and amendments issued but not yet effective (cont'd.)

Description	Effective for annual periods beginning on or after
MFRS 107: <i>Disclosures Initiatives (Amendments to MFRS 107)</i>	1 January 2017
MFRS 112: <i>Recognition of Deferred Tax for Unrealised Losses (Amendments to MFRS 112)</i>	1 January 2017
MFRS 2: <i>Classification and Measurement of Share-based Payment Transactions (Amendments to MFRS 2)</i>	1 January 2018
MFRS 15: <i>Revenue from Contracts with Customers</i>	1 January 2018
MFRS 9: <i>Financial Instruments</i>	1 January 2018
MFRS 16: <i>Leases</i>	1 January 2019
Amendments to MFRS 10 and MFRS 128: <i>Sale or Contribution of Assets between Investor and its Associate or Joint Venture</i>	Deferred

The directors expect that the adoption of the above standards and amendments will have no material impact on the financial statements of the Company except as disclosed below:

MFRS 107: *Disclosures Initiatives (Amendments to MFRS 107)*

The amendments to MFRS 107 Statement of Cash Flows require an entity to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes. On initial application of these amendments, entities are not required to provide comparative information for preceding periods. These amendments are effective for annual periods beginning on or after 1 January 2017, with early application permitted. Application of amendments will result in additional disclosures to be provided by the Company.

MFRS 112: *Recognition of Deferred Tax for Unrealised Losses (Amendments to MFRS 112)*

The amendments clarify that an entity needs to consider whether tax law restricts the sources of taxable profits against which it may make deductions on the reversal of that deductible temporary difference. Furthermore, the amendments provide guidance on how an entity should determine future taxable profits and explain the circumstances in which taxable profit may include the recovery of some assets for more than their carrying amount.

MFRS 112: Recognition of Deferred Tax for Unrealised Losses (Amendments to MFRS 112) (cont'd.)

Entities are required to apply the amendments retrospectively. However, on initial application of the amendments, the change in the opening equity of the earliest comparative period may be recognised in opening retained earnings (or in another component of equity, as appropriate), without allocating the change between retained earnings and other components of equity. Entities applying this relief must disclose that fact.

These amendments are effective for annual periods beginning on or after 1 January 2017 with early application permitted. If an entity applies this amendments for an earlier period, it must disclose that fact. These amendments are not expected to have any impact on the Company.

MFRS 15: Revenue from Contracts with Customers

MFRS 15 establishes a new five-step model that will apply to revenue arising from contracts with customers. MFRS 15 will supersede the current revenue recognition guidance including MFRS 118 Revenue, MFRS 111 Construction Contracts and the related interpretations when it becomes effective.

The core principle of MFRS 15 is that an entity should recognise revenue which depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

Under MFRS 15, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e when “control” of the goods or services underlying the particular performance obligation is transferred to the customer.

Either a full or modified retrospective application is required for annual periods beginning on or after 1 January 2018 with early adoption permitted. The Directors anticipate that the application of MFRS 15 will have a material impact on the amounts reported and disclosures made in the Company’s financial statements. The Company is currently assessing the impact of MFRS 15 and plans to adopt the new standard on the required effective date.
